Hosting an event? Let us know on Facebook so we can help spread the word

So you've asked your friends and family for donations but now what? Here's a few tips and tricks to get you started...

## Bunnings BBQ

Who doesn't love a sausage?! To host a BBQ at Bunnings, here's what you need to do:

1. Send an email to Liz at [info@firiesclimbformnd.com](mailto:info@firiesclimbformnd.com) and ask for an insurance form. Tell us who you are and when you're planning on hosting it.
2. Contact the Community Liaison Officer at your local Bunnings to set a date. They will need your authority to fundraise and PL insurance.
3. Let us know when it's confirmed. We need to know when the insurance is used and we'd love to share the event to get more people to your BBQ.
4. Bunnings will supply the BBQ and send a list of supplies you need to bring. Large supermarket chains often support charities - ask them if they can help with supplies.

5. Host the BBQ! Gather some helpers and sell sell sell. Remember, a well prepared BBQ is a successful BBQ.

No available dates at Bunnings? Give your local Woolworths a call.

## Tip Jar

Whatever your event is, make sure to have a tip jar (or bucket) for donations to increase your fundraising potential.

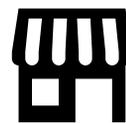

## Use it or Lose it

One man's trash is another man's treasure. Sell your unwanted items on eBay or organise a garage sale. Ask your mates to donate goods they no longer want, whack up some signs and let the selling begin!

## Workplace Giving

Ask your workplace if they can set up a regular donation to us from your pre-tax pay. Most workplaces these days offer some sort of workplace giving system - some even match donations. Enquire today!

## Bucket Drop

All climbers receive a bucket and sticker. Ask your local store if you can leave one on a counter.
